MEMORANDUM FOR: Chief, Development Branch

THRU : Special Assistant for Technical Analysis *ELK*

SUBJECT : Completion of Contract No. HL-4646-CONVAIR,
Fort Worth, Texas, Project GUSTO

1. The subject contract with CONVAIR covered the procurement of studies, tests and preliminary designs of the Project GUSTO Vehicle. Contractor has advised that all work required has been completed and the final report thereon delivered.

2. A copy of the final report was not received by this Branch, however, it is understood that your Branch received several copies. It is requested that a review of this report be made and your approval and/or comments given as to the Contractor's satisfactory completion of the requirements of the Basic Contract and TCR's 1 through 16. Further, if you have an extra copy of the final report we would appreciate receiving it for our files.
